Coal Lease Application

Please submit each lease application on its own form.
A coal lease must be between 16 and 2304 hectares.

It is important that you properly complete this form. If you are applying as a person, you must provide your full name.
Full payment must be received before your application is processed. There is a \$50 minimum rental per lease.

Land within Coal Category 4 (as defined in *A Coal Development Policy for Alberta*) is issued through a public sale process, if it is not within a Permit to Develop a Coal Mine. If the land in this application is within Coal Category 4, and outside of a coal mine area, no fees are required at time of application; the land will be considered as requested for sale and will be available for public bid at the next sale.
