GST number (if applicable)

If there is more than one participant, please attach an additional sheet with the information for each participant, along with the percent interest for each, if different from the designated representative.

I hereby apply for a METALLIC & INDUSTRIAL MINERALS PERMIT in the following land:

Total area of application (ha): _____

I agree to comply with all the provisions of the *Metallic and Industrial Minerals Tenure Regulation*.

I am aware that I must obtain exploration approvals from Alberta Environment and Sustainable Resource Development (ESRD) prior to beginning any exploration work, except prospecting.

I am aware that there may be current surface restrictions and other existing surface agreements that may restrict my ability to do work on the land included in this application.

Payment

This application is accompanied by a **\$625.00** (+GST, if applicable) application fee.
Cheques should be made payable to the Government of Alberta.

Name

Date

Signature

Note: If the applicant requests cancellation of this application once it is accepted, the application fee of \$625.00 (+GST, if applicable) will be forfeited.

Metallic and Industrial Minerals Permit Application

Please submit each permit application on its own form.

A metallic and industrial minerals permit must be between 16 and 9216 hectares.

It is important that you properly complete this form. If you are applying as a person, you must provide your full name. Full payment must be received before your application is processed.

Submission options:

Mail or in person
Coal and Mineral Development
